47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a Sonic customer and have benefited from their competitive internet offering in San Francisco. Sonic's fiber optic internet offering is the fastest and most affordable offering in my area. I urge you to keep competitive access to the internet backhaul in order to allow for innovation and competitive pricing.

Thank you.
